

Nonpublic Elementary and Secondary Schools

The BESE policy adopted November 15, 1979, indicates that "Nonpublic schools not submitting an Annual School Report shall not be listed in the *Louisiana School Directory*." For schools ineligible under the Brumfield vs. Dodd court order go to <http://www.louisianaschools.net/lde/offices/eos.html>.

Key to Classification**

- A** **Approved:** The school meets all standards specified in *Bulletin 741: Louisiana Handbook for School Administrators (Nonpublic)*: "Standards for Approval of Nonpublic Schools".
- PA** **Provisionally Approved:** The school has some deficiencies in standards, such as class size exceeds the maximum allowed, the curriculum does not meet the prescribed requirements, the number of faculty teaching in an area for which qualifications specified are not met, etc.
- P** **Probationally Approved:** The school has one or more of the following deviations from standards:
- (1) the principal does not hold a Master's degree or principalship certification;
 - (2) a non-degreed teacher with fewer than five years experience is employed;
 - (3) the school has been on provisional approval for two years for the same deficiency.
- U** **Unapproved:** A school may not maintain a probationally approved category for two consecutive years.
